Mr Dismore

If you refund £121.94 the calling cards and calendars could be used after 31/12/09.

It is fine to 'buy back' any surplus reports. The reports can then be distributed after 31/12/09. If you decide to do this, please refund the appropriate sum.

Please send any refunds to me with a covering letter.

Kind regards,

[REDACTED]

If we refund £121.94, can we then use these?

Also can we "buy back" any surplus annual reports?

thanks

How many have we got left of each of the calendars and calling cards?

Yes that is fine. The expenditure has to be incurred prior to 31/12/09. Delivery of the annual report should also be completed by 31/12/09.
