Further to our recent email exchanges, I would like to pay back for :

2,000 calendar cards at £ 28.57 per 1000 = £57.14

1,200 contact cards at £54 per £1000 = £64.80

1,000 annual reports and feedback forms  
At £68 per 1000 = £68

Total £189 94

I also wish to purchase some more stamps( £200 ) to help get the report out to hard to reach areas.

Can I do one form to cover repayment of this sum and the cost of the stamps, to balance it out: ( suspect this will slightly put me over the limit, but I assume you would pay up to the limit only)

Thanks [REDACTED]
